

MERCK, SHARP AND DOHME

New Britain Township, Pennsylvania

Project Size
27,000 sf

Client
Overton and Associates

Construction Cost
\$ 3.4 Million

This two story masonry and steel construction office building will be the new home office for Merck Sharp and Dohme Federal Credit Union. The building is 27,000 square feet and will include a branch office on the first floor for members. The building also incorporates a three lane drive-up teller and a walk-up ATM location.
